WHAT WE DO

Our services

Complete coverage of every stage — from collection in Australia to final delivery in Mongolia.

Personal parcels & documents

Parcels, documents and gifts sent from anywhere in Australia to family and friends in Mongolia.

E-commerce consolidation

Shop with Australian retailers, ship to our Brisbane address, and we consolidate and forward.

Commercial & equipment cargo

Business consignments, machinery and industrial equipment, including sourcing and procurement.

Customs clearance & documents

CP72 declarations and supporting paperwork prepared and lodged in line with customs requirements.

Nationwide pickup in Australia

Collection from your address in any Australian city, so you never have to arrange transport.

Delivery across Mongolia

Final-mile delivery in Ulaanbaatar and to regional provinces, including parcel-box collection.

PROCESS

How it works

Five clear stages — you hand over the goods, we manage everything else.

1

Quote & booking

Use our online calculator to estimate volume and cost, then submit the CP72 form online.

2

Collection

We collect from your address anywhere in Australia, or you drop off at our Brisbane facility.

3

Consolidation

Goods are received, weighed, sorted and securely stored at our Brisbane warehouse.

4

Freight & customs

Departure from Brisbane to Ulaanbaatar, with customs declarations handled on arrival.

5

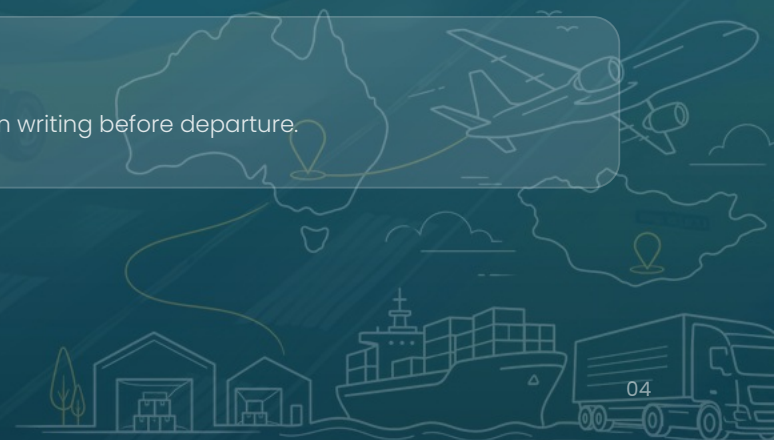

Final delivery

Delivered to the consignee in Ulaanbaatar or forwarded to regional provinces.

Transparent from day one

Pricing is calculated up front using our online volume calculator, and every consignment is confirmed in writing before departure.

SHOP AUSTRALIA
